

WONG WAY DRIVING ACADEMY

STUDENT PRE-SCREENING QUESTIONNAIRE

We appreciate your cooperation and patience in helping to keep you, other students and your instructor safe and healthy.

1. Have you been diagnosed with COVID-19 in the last 14 days?
2. Are you showing or experiencing symptoms associated with COVID-19 (cough, fever, shortness of breath/difficulty breathing, chills, muscle pains, sore throat, new loss of taste or smell)?
3. Have you had close contact in the past 14 days with someone who has been diagnosed with, or is waiting on test results for suspected COVID-19? (This means having any direct contact or contact within 6 feet for 10 minutes or more, of the diagnosed person or person waiting on test results for COVID-19.)
4. Have you been told by a health care provider or public health official that you should self-quarantine due to potential COVID-19 exposure, or are you suspected of having COVID-19?
5. Are you waiting on testing results because you suspect you have COVID-19?

If the student responds “Yes” to any question, the student is not permitted to drive and must reschedule the lesson.

If Student responds “No” to all questions, the instructor will proceed to a temperature check. If temperature is 99.5 degrees F or below, the instructor will continue with the BTW lesson. If temperature is above 99.5, degrees F, the student will not be permitted to drive and must reschedule the lesson.
